4. USBC Rules will govern the staging of this tournament. See Rule 303. If current league average is 15 or more pins higher than last year's average, minimum 21 games, the bowler must use his current league average (at time of bowling in first event) for all events entered. Bowlers who have qualified for a prize of \$600.00 or more in any event in a tournament within the previous 12 month period must report actual score, position and amount won for possible rerating. Such rerating must be accomplished before the entrant bowls and if not accepted the entry fee shall be refunded. Failure to comply with either of these provisions may cause forfeit of tournament entry fee and prize winnings. (USBC Rule 319d & 319a-2.)
5. ENTERING AVERAGES WILL BE RECOGNIZED IN THE FOLLOWING ORDER:
  - A. Highest USBC certified league average (based on a minimum of 21 games) for the 2008-2009 season unless your current average will be used.
  - B. If no 2008-2009 USBC average, use current season average based on a minimum of 21 games at time of bowling.
  - C. If you have no acceptable average under A or B, a 21 game USBC average of the 2007-2008 season or the 2006-2007 season — in order — should be used.
  - D. If you do not qualify under any of the foregoing, you will be entered at 225.
  - E. Tournament management reserves the right to adjust all reported averages that are lower than required and result in a lower classification or more handicap. If the submitted average is higher than required, prize winnings will be based on the submitted average.
  - F. Sports league averages will be adjusted in accordance with USBC Rule 205.
6. Champion Awards to winners in Team and Doubles Events and to each division in Singles and All-Events. The handicap is 90% of difference between average and 225. There will be no duplicate awards and prize ratio will be 1 - 5. Each division shares in their own prize list and no duplicate prizes will be awarded.
