

Hotel Booking & Visitor Information

Steps to book within the event block at a given property

1. Call the phone number on the hotel sheet for the property you would like to set reservations at.
 - a. **IMPORTANT: **You MUST call the hotel to get the rates promoted on the sheet **.**
When communicating with a hotel from the list, they may provide you with a booking link for the promoted rate and you can continue booking through that specific link.
2. When booking over the phone, ask to speak with the sports or groups sales manager on property that deals with group blocks in regards to the event and date range you are looking for.
 - a. TIP: It is recommended to call the properties Monday – Friday during the work day hours to get a strong chance of speaking directly with a sales manager to book your reservation.
3. Give the sales manager the **name of the event** you are coming to town for. In this case, you will want to mention “**2023 WI State USBC Youth Bowling Championship block**” or the “**Youth Bowling block**”.
 - a. *This step is very important to help the hotel and event director track where athletes and families are staying for the event weekends.*
4. The sales manager will walk you through all the proper steps to get your reservations set in the system and you can communicate with the hotel for all hotel-based questions and inquires you have along the way.
5. When you arrive to the hotel for the event weekend, let the front desk know you are in town for the **2023 WI State USBC Youth Bowling Championship** or **Youth Bowling event** and that will help track your reservation for the event director.
